PROFESSIONAL EXPERIENCE

HCA Aventura Hospital/CNC-Step Down

January 2026-Present/Aventura, Fl

- Lead daily operations and coordinate patient care for the Step-Down Unit.
- Assign staff and patients based on acuity, staffing needs, and competency.
- Provide clinical support, guidance, and delegation to nursing staff.
- Coordinate admissions, transfers, and discharges to ensure efficient patient flow.
- Collaborate with physicians and interdisciplinary teams to address patient-care needs.
- Monitor patient conditions and respond appropriately to changes in clinical status.

Hackensack Meridian Medical Center / Registered Nurse – Telemetry & ICU Float

May 2023–January 2026 | Old Bridge, NJ

- Provide direct patient care in telemetry and intensive care units, monitoring cardiac rhythms and managing acute conditions.
- Administer IV and oral medications, titrate some drips, and manage central and peripheral lines.
- Perform thorough assessments and implement physician-ordered interventions for post-MI, stroke, CHF, and post-surgical patients.

- Collaborate with interdisciplinary teams to optimize recovery and ensure safe transitions of care.
- Serve as preceptor and resource nurse for new staff and students, reinforcing evidence-based practices.

Star Pediatric/Clinical Manager (Part-Time)

September 2018 –January 2026/ Lakewood, NJ

- Supervise and train field nurses, ensuring high-quality and compliant pediatric home care.
- Review and approve care plans, orders, and documentation for accuracy and timeliness.
- Conduct skill validation and competency checks, and provide coaching on patient safety and emergency response.
- Educate families on medical equipment, medication administration, and care procedures.

Star Pediatric / Registered Nurse

September 2018– January 2026 | Lakewood, NJ

- Deliver skilled nursing for medically fragile pediatric patients requiring tracheostomy, ventilator, and G-tube management.
- Perform assessments, monitor vital signs, and respond to emergencies promptly.
- Coordinate with physicians and interdisciplinary teams for continuous care adjustments.

- Earlier Experience

  - Star Pediatric / Licensed Practical Nurse (2015–2018)—Provided pediatric respiratory treatments, G-tube care, and medication administration.
  - Confident Care Corporation / Certified Home Health Aide (2009–2015)—Assisted elderly clients with chronic illnesses and daily living activities.
  - Physical Education Teacher / Belarusian Schools (1996–2003)—Delivered physical education and coached competitive swimming programs.
